

# MB6004B-IM

## Automatic belt loop attaching machine

Machine model	MB6004B-IM-254
Machine name	Automatic beltloop attacher
Sewing Head	IMB
Max Sewing Speed	2800rpm
Bartacking length	7-22mm
Bartacking width	1-3.2mm
Belt loop width	9-20mm
Length of belt loop	48-78mm
Needle type	DP×17 (#21) #19~#21
Power Supply	220V,50/60HZ
Control system	IMB
Cutter type	Cross cut mechanism
Machine Size	1350*950*1350

## ■ FEATURES

01

Integration of auto belt loading , auto belt cutting , auto belt folding , twin needle working , consecutive sewing mechanism.

02

Automatic splice detection mechanism

03

4 times efficiency of traditional way.

04

1500 pants / 8 hrs.
